QD

■ PART NO.	DESCRIPTION	SIZE	■ INSTRUCTIONS
------------	-------------	------	----------------

200056	NanoBone QD	5.0 ml	
200057	NanoBone QD	10.0 ml	

■ **NANO BONE QD**

To extend the usability of NanoBone, we put the perfect handling of NanoBone SBX Putty in an applicator designed for QD – quick delivery. This easy-to-use device facilitates rapid implantation of our advanced bone graft in a controlled and precise manner. Artoss developed NanoBone QD to provide these benefits in a cost-effective delivery system.
